Over stream and ascend half right across field to stone bridge (1) Continue to ascend fields in same direction, over stile to second stile by gate, ascend field towards centre gap in hedge to right of Luggershall Farm. Go over stile and cross field and drive via two gates.

Ascend field in direction of large tree on your side of fence on wood boundary, over stile and up bank to road, turn left. At second bend turn sharp right through hunting gate, descend through wood to pass left of Lampern House. Through gate and follow right hand boundary passing through gate into wood. Very shortly turn sharp left onto woodland track. 80m after second track joins from right, take path on left and ascend to field boundary. Keeping close to boundary go right. The path becomes a wide track and after 800m reach main road and turn left. Continue up road to leave on footpath opposite Ridge Farm, passing old Lodge on left. Follow hard track taking right fork to pass through gate by water trough. Over brow to metal gate (do not pass through) turn right to find second gate into wood (this gate lies in a sunken track out of view).

With your back to this bridge, ascend half left across field to stile into paddock area. Take lane to rear of cottage and left at metal road, then right at main road.
